

A note from the Principal:

On behalf of the faculty and staff at Durant Middle School, I would like to welcome students and parents to the 2015-2016 school year. This is an exciting time of change and challenge for both the seventh and eighth grade students. Our staff and administration have worked hard to create and implement greater opportunities for the students of DMS. It is our desire to offer the best possible learning environment and to challenge each student to reach his or her maximum potential.

With the help of parents, teachers, administrators, and students, we can forge a partnership that will result in a positive and meaningful educational experience. Our school has a priority of creating an educational atmosphere of high challenge and mutual respect. In addition, the safety and security of each student are paramount to our educational mission. With everyone as active participants, we can achieve these goals.

The first section of this handbook contains an outline of information that is designed to structure the environment at Durant Middle School. Both parents and students should take time to review these policies and procedures. This will increase the probability of your child having a productive and successful year at school.

Staying in touch with current school programs and activities has also been made possible through the mediums of television and the Internet. Durant Public Schools maintains information on channel ten (cable TV) and on our school web site. Our web address is www.durantisd.org.

May I express again how excited we are about the new school year and a sincere invitation for your involvement in the education of your child.

Sincerely,

Kenny Chaffin
Principal
Durant Middle School

MISSION STATEMENT

The mission of our learning community is to work together to assure that every child feels important and is empowered to be a happy, successful, and responsible human being.

ACCIDENT INSURANCE

Student accident insurance is available to students at the time of enrollment. Each student is provided an application form. A school-time plan and a full-time plan are available. Brochures outlining the benefits and premiums will also be provided with the form. Claim forms will be kept in the office should enrolled children be injured. A copy of the insurance policy is kept in the Superintendent's office and can be viewed there if you have questions. Some form of insurance, either this plan or a personal plan carried by parents should cover students participating in athletics. The school does not carry insurance on personnel or students.

ACTIVITY ABSENCES

Each student will be allowed 10 Student Activity Absences. Activity absences apply to extracurricular events, such as athletic events, vocal and instrumental contests, etc. Students may not miss any one-class period more than the allowed 10 times. Students who are involved in more than one extracurricular activity will soon use up their allotted absences and will not be allowed to participate in the activities that would take them away from school. An example: a student is enrolled in athletics (football, basketball, and track-fall, winter and spring sports), and band. By the time end-of-the-year band contests occur, a student could possibly have already been absent 10 CLASS PERIODS due to athletic events and would not be allowed to travel to the band contests. Students should monitor the number of their absences to avoid such situations.

An ineligible student will not be allowed to participate in any activity that would result in an absence from any academic class and/or participate in an out-of-town school trip. Activities sanctioned or governed by the Oklahoma Secondary Schools Activities Association will be governed by their guidelines.

ALTERNATIVE CLASSROOM

Students assigned to the Alternative Classroom for discipline reasons will be required to report to the Alternative Classroom, #16 upon arrival at school and will remain in class until 3:15 p.m. Students who are late or miss part of the day will be required to make up the entire day. Permission to leave early can only be granted by the Principal or the Assistant Principal.

ATTENDANCE REPORTING POLICY

The following policy applies to all student absences regardless of the length of absence:

When a student is to be or has been absent, his/her parent should call the attendance clerk at 916-7244, and verify the absence by 8:30 a.m. Parents should call the school regardless of the reason for the absence, illness, doctor's appointment, out-of-town trip, family emergency, etc. **WRITTEN NOTES WILL BE ACCEPTED TO VERIFY A STUDENT ABSENCE.**

ATTENDANCE POLICIES AND PROCEDURES

Durant students are required to attend school on a regular basis. Students are expected to be in class on time and attend school the entire school day. Oklahoma state law requires students to attend school a minimum of 90% of the days scheduled per school year. The current school calendar establishes 180 days of school per year. If a student misses more than 18 days per school year, absences are considered outside the boundaries required by state law. Students with excessive absences are also subject to loss of credit and retention. Student attendance is the responsibility of the student's parent or guardian. Charges may be filed through the District Attorney's office with possible fines of up to \$125 being assessed for each day of excessive absence (each day is a separate offense). Durant Middle School truancy issues will also be addressed by the Durant School Resource Officers and the Durant Middle School Administration.

As a preventative measure to ensure academic success, connectedness to school, and build resiliency in Durant Public School students, the Durant Middle School has adopted as policy the following measures for the operation of the Durant Middle School concerning excessive absences:

Parents/guardians of students that fall below the 90% attendance requirement during the school year will receive a letter from Durant Middle School advising them of our concern for the possibility of excessive absence issues.

Students between an 80%- 90% attendance rate for the number of days enrolled will be subject to the following:

- Ineligible to participate in any activity sanctioned by the OSSAA (Oklahoma Secondary Schools Activity Association)
- Prohibited from participating in off-campus extracurricular activities
- Loss of Rewards Day privileges

Unforeseen circumstances causing excessive absences can be submitted in writing to the Principal for consideration

Students below an 80% attendance rate for the number of days enrolled will be referred to the campus attendance committee and will be subject to the following based on their findings:

- Ineligible to participate in any activity sanctioned by the OSSAA (Oklahoma Secondary Schools Activity Association)
- Prohibited from participating in off-campus extracurricular activities
- Loss of Rewards Day privileges
- Make up time missed due to absences (two hours of retention per day missed)
- Possible retention and loss of credit

Information or circumstances concerning the absences can be submitted in writing to the campus attendance committee for their review and consideration.

BACKPACKS

Students will only be allowed to carry their books and supplies to and from school in back packs.

BICYCLES AND SKATE BOARDS

Bicycles and skate boards are to be secured to the rack located east of the main entrance (corner of 8th & Walnut Street). Riding these modes of transportation around campus is prohibited. Skateboards cannot be brought into the building.

BULLYING PREVENTION ACT

The Oklahoma Legislature established the School Bullying Prevention Act with the express intent of prohibiting peer student harassment, intimidation, and bullying. These terms include, but are not limited to any gesture, written or verbal expression, or physical act that a reasonable person should recognize will:

1. harm another student;
2. damage another student's property;
3. place another student in reasonable fear of harm of the student's person or damage to the student's property; or

Meal prices are published at the beginning of each school year. **No charges are allowed. Taking food without payment is theft and will result in severe discipline.**

CAMERAS

No cameras of any type are allowed on campus without permission of the Principal's office.

CARE OF SCHOOL AND STUDENT PROPERTY

As good citizens of our community, students are expected to place litter in waste receptacles, respect the property of others on the way to and from school, and will be expected to pay for any property that is damaged or lost while in their care. Students should stay away from private property near the school.

CELL PHONES AND OTHER WIRELESS COMMUNICATION DEVICES

- **Students WILL NOT be permitted to use cell phones to call home for illness.**
- **Students WILL NOT be allowed to use their phones during lunch or break periods.**
- **Headphones and ear buds ARE NOT allowed to be worn or displayed while in the hallways. They may only be used in the classroom with teacher permission.**
- **IPOD, MP3 and other personal entertainment devices are prohibited on school grounds. No exceptions.**

CHANGE OF ADDRESS OR PHONE NUMBER

These changes should be reported to the office as soon as possible. This information is vital to school administration in the event of an emergency.

CLASS SCHEDULE CHANGES

No schedule changes will be made after two weeks into a semester unless deemed necessary by the Principal or his designee. A parent-teacher conference will be required for schedule changes. Conferences to seek schedule changes can be set up by contacting the school counselor's office.

COUNSELOR

The Counseling office is located on the first floor across from the main office entrance. Students needing to see the counselor should first report to their teacher and obtain a hall pass before going to the counselor's office.

1. The right to inspect and review the student's education records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. Parents or eligible students may ask the District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate, misleading or in violation of student rights. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

INDIAN EDUCATION PROGRAM

The Durant Public School District I072 receives funds for educational and cultural programming for Native American students. Current census information indicates approximately 1250 active American Indian students in early childhood through grade 12 enrolled in Title VII and Johnson O'Malley programs. Eligibility for Indian Education services requires the parent to sign an "Indian Student Certification Form" for each child, which may be obtained from the school or through the Indian Education Department located at 1313 Waco Street.

There is no blood quantum requirement for two Indian Education programs; however, a copy of the student's CDIB is a prerequisite for Johnson O'Malley services. Indian Education provides school supplies, tutoring services for all grades, and an incentive program that offers rewards for those students meeting the requirements for achievement for grades and/or attendance.

During the school year parents may receive a form on which should be indicated whether or not your child is of Native American heritage. This completed form should be returned to the student's teacher or to the Indian Education office. Parents of children who are eligible and who do not receive this form are requested to contact the Indian Education office at 924-1330. Anyone having questions concerning the Indian Education program are urged to call or visit the Indian Education office.

INTERNET AND OTHER COMPUTER NETWORKS ACCEPTABLE USE POLICY **INTERNET ACCEPTABLE USE POLICY**

A. **Purpose Statement.** Independent School District No. 72 of Bryan County, Oklahoma (the "district") provides its students and employees with access to the district's computer network system, including Internet access, in an effort to expand the informational and communication resources in furtherance of the district's goal of promoting educational excellence. It is hoped

that the expanded use of these resources will enhance students' research capabilities, increase faculty and staff productivity and result in better communication between the district and its patrons. The Internet has often been described as the information super-highway. The Internet consists of a network of servers connecting thousands of computers worldwide, permitting access and communication with millions of individual users. Through the Internet, the district will provide students, faculty and staff access to:

- _ electronic mail providing communication with people throughout the world;
- _ information and news, including the opportunity to correspond with scientists at research institutions in the public and private sector, including NASA;
- _ public domain software and shareware of all types;
- _ news groups, or discussion groups, covering a wide range of topics appropriate to the educational purposes of the district;
- _ access to university libraries, the Library of Congress and other repositories of information;
- _ World Wide Web access to information containing text, graphics and photographs, as well as sound on literally millions of topics

With access to such vast storehouses of information and instant communication with millions of people from all over the world, material will be available that may not be considered to be of educational value by the district or which is inappropriate for distribution to children. The district has taken available precautions, including but not limited to enforcing the use of filters that block access to obscenity, child pornography and other materials harmful to minors. However, on a global network, it is impossible to control all material and an industrious user may obtain access to inappropriate information or material. The district firmly believes that the value of the information and interaction available on the Internet far outweighs the possibility that students and employees may procure material which is not consistent with our educational goals. Internet access is coordinated through a complex association of government agencies, regional and state networks. The smooth operation of these networks relies upon the proper conduct of the end users and the users' adherence to generally accepted guidelines. The guidelines provided in this policy are designed to promote the efficient, ethical and legal utilization of network resources. If a district user violates any of these provisions, his or her account will be terminated and future access could be denied. The user's signature on the Internet Access Agreement is a legally binding obligation, affirming that the user has read the terms and conditions of the Internet Acceptable Use Policy, understands the policies and agrees to abide by all terms and conditions described in the policy or subsequently implemented by the district's Director of Technical Services. Students' use of the district's system will also be governed by a student code of conduct.

B. Internet Access - Terms and Conditions.

1) **Acceptable Use.** **THE USE OF THE DISTRICT SYSTEM, WHETHER BY STUDENTS, FACULTY OR STAFF, MUST BE IN SUPPORT OF EDUCATION AND CONSISTENT WITH THE EDUCATIONAL OBJECTIVES OF THE DISTRICT.** The use of any other organizations' network or computing resources must comply with the rules and regulations appropriate for that network. **THE TRANSMISSION OR RECEIPT OF ANY MATERIAL IN VIOLATION OF ANY UNITED STATES OR STATE LAW OR REGULATION AND THE TRANSMISSION OR RECEIPT OF ANY MATERIAL INCONSISTENT WITH THE EDUCATIONAL OBJECTIVES OF THE DISTRICT IS PROHIBITED.**

This includes, but is not limited to: copyrighted material, threatening, indecent, lewd or obscene material, or material protected by trade secret. Use of the district system for commercial activities is not acceptable. Use for product advertisement or political lobbying is also prohibited.

2) **Parental Consent.** In order for a student to gain access to the district system, the student's parent or guardian must be provided a copy of the Internet Acceptable Use Policy and sign the Internet Access Agreement requesting that their child be given Internet access under the terms and conditions described in this policy. Parents may withdraw their consent at any time.

THERE IS, HOWEVER, A WIDE RANGE OF INFORMATION AVAILABLE THROUGH THE INTERNET WHICH IS NOT APPROPRIATE FOR ACCESS BY MINORS, HAS NO EDUCATIONAL VALUE OR DOES NOT MEET WITH THE PARTICULAR VALUES OF THE FAMILIES OF THE STUDENT. THE DISTRICT SYSTEM AND INTERNET ACCEPTABLE USE POLICY CONTAIN DEVICES AND RESTRICTIONS ON USE INTENDED TO PREVENT ACCESS TO INAPPROPRIATE MATERIAL OR INFORMATION. IT IS IMPOSSIBLE FOR THE DISTRICT TO GUARANTEE THAT STUDENTS WILL NOT BE EXPOSED TO INAPPROPRIATE MATERIAL THROUGH THEIR USE OF THE INTERNET. THE DISTRICT

BELIEVES THAT PARENTS BEAR PRIMARY RESPONSIBILITY FOR COMMUNICATING ACCEPTABLE BEHAVIOR AND FAMILY VALUES TO THEIR CHILDREN. THE DISTRICT ENCOURAGES PARENTS TO DISCUSS WITH THEIR CHILDREN WHAT MATERIAL IS AND IS NOT ACCEPTABLE FOR THEIR CHILDREN TO ACCESS THROUGH THE DISTRICT SYSTEM.

3) **Privilege of Use.** The district system and its Internet access is a privilege afforded to students, staff and employees of the district. Use of these resources is not a right and inappropriate use will result in a cancellation of those privileges. Inappropriate use is any use prohibited by the terms of this policy or use determined by the district's system administrators to be inappropriate under particular facts and circumstances. Prior to receiving Internet access, all users will be required to successfully complete an Internet training program administered by the district.

4) **Inappropriate Use.** Each system user is expected to comply with all district policies governing Internet access and to abide by generally-accepted rules of network etiquette. These general rules include, but are not limited to, the following: a) **Appropriate language** - Do not use abusive language in messages to others. Be polite. Do not use obscene, indecent, lewd or profane language, vulgarities, rude or disrespectful language. Do not engage in personal attacks or activities intended to distress, harass or annoy another user. b) **Safety** - Do not reveal personal contact information about yourself or any

other person. This information includes telephone numbers and addresses. Do not use the Internet access to arrange meetings with persons you have met on line. Users will promptly disclose to the teacher, district system administrator or to some other member of the faculty or staff any message they consider to be inappropriate or which makes them feel uncomfortable. c) Electronic mail - Users should be aware that electronic mail (E-Mail) may not be assumed to be a private communication. The district and system administrators do have access to E-Mail. Messages relating to or in support of illegal activities will be reported to the authorities. System users should not post any message which is intended to be private.

d) Network resources - System users should not use the network in a way that will disrupt the use of the network by other users.

THE NETWORK SHOULD BE USED FOR EDUCATIONAL, PROFESSIONAL AND CAREER DEVELOPMENT ACTIVITIES ONLY.

System users should refrain from downloading large files unless absolutely necessary, and then only when the system is not being heavily used. Such files should be removed from the system computer to the user's personal computer as soon as possible. e)

Intellectual property - Do not plagiarize works obtained from the Internet. Users must respect the rights of copyright owners and comply with all limitations imposed upon use of copyrighted material.

5) **Limitation of Liability.** The district makes no warranties of any kind, whether express or implied, for the services provided and will not be responsible for any damages which you may suffer through use of the district system or the Internet, including, but not limited to, the loss of information or files or the interruption of service. The district is not responsible for the accuracy or quality of information obtained through use of the district system or the Internet. The district is not responsible for any financial obligations which may be incurred through use of the district system.

6) **Security.** Security on any computer system is a high priority, especially when the system involves multiple users. Users are responsible for their individual account and should take precautions to prevent others from accessing that account. Under no conditions should a user provide their personal password to another person. If you identify a potential security problem on the district system or the Internet, you must notify the system administrator immediately. You should not demonstrate the problem to others, nor should you intentionally attempt to identify potential security problems. In either instance, your actions may be misinterpreted as an illegal attempt to gain unauthorized access. Any attempt to log on to the

Internet as a system administrator will result in cancellation of user privileges. Any user identified as a security risk or having a history of problems with the district system or any other computer system may be denied further access.

7) **Vandalism.** Vandalism of district hardware, software or the system itself will result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm or destroy the property or data of the district, of another user or of any other network connected to the Internet or all or any portion of the district's computer network system or any other network or system connected to the Internet. This includes, but is not limited to, the uploading or creation of computer viruses or any actions that disrupt, "crash" or "bomb" all or any portion of the district's computer system. All system users shall avoid the accidental spread of computer viruses by strict adherence to district policies governing the downloading of software. No system user may use the system to "hack" or attempt to gain unauthorized access to any other computer system, network or site or any unauthorized portion of the district's system.

8) **Inappropriate Material.** Access to information shall not be restricted or denied solely because of the political, religious or philosophical content of the material. However, system users must realize that rights go hand-in-hand with responsibilities and agree not to use the district system to access information or to distribute information or material which is: a) Obscene to minors, meaning (i) material which, taken as a whole, lacks serious literary, artistic, political or scientific value for minors and, (ii) when an average person, applying contemporary community standards, would find that the written material, taken as a whole, appeals to an obsessive interest in sex by minors. b) Libelous, meaning a false and unprivileged statement about a specific individual which tends to harm the individual's reputation. c) Vulgar, lewd or indecent, meaning material which, taken as a whole, an average person would deem improper for access by or distribution to minors because of sexual connotations or profane language. d) Display or promotion of unlawful products or services, meaning material which advertises or advocates the use of products or services prohibited by law from being sold or provided to minors. e) Group defamation or hate literature, meaning material which disparages a group or a member of a group on the basis of race, religious affiliation, ethnic or national origin, gender, or disability or advocates illegal conduct or violence or discrimination toward any particular group of people. This includes racial and religious epithets, "slurs", insults and abuse. f) Disruptive school operations, meaning material which, on the basis of past experience or based upon specific instances of actual or threatened disruptions relating to the information or material in question, is likely to cause a material and substantial disruption of the proper and orderly operation of school activities or school discipline.

9) **Employee Access.** In order for any employee of the district to gain access to the district system, the employee must sign the Employee Internet Access Agreement.

10) **Application and Enforceability.** The terms and conditions set forth in this policy shall be deemed to be incorporated in their entirety in the Internet Access Agreement executed by each system user.

BY EXECUTING THE INTERNET ACCESS AGREEMENT, THE SYSTEM USER AGREES TO ABIDE BY THE TERMS AND CONDITIONS CONTAINED IN THIS ACCEPTABLE USE POLICY. THE SYSTEM USER ACKNOWLEDGES THAT ANY VIOLATION OF THIS ACCEPTABLE USE POLICY MAY RESULT IN ACCESS PRIVILEGES BEING REVOKED,

DISCIPLINARY ACTION BEING TAKEN, INCLUDING, AS TO STUDENTS, DISCIPLINARY ACTION UNDER THE DISTRICT'S STUDENT DISCIPLINE POLICY AND, AS TO EMPLOYEES, ANY SUCH DISCIPLINE AS MAY BE ALLOWED BY LAW, INCLUDING TERMINATION OF EMPLOYMENT.

LIBRARY

The library can be a great help to students as they learn to use it. The library and its staff can help students learn to appreciate and enjoy good books and improve their reading ability. This is its purpose. A librarian always checks out library books. Lost or damaged books are the student's responsibility. The library will close each day at 3:30.

MAKE-UP, LATE, AND INCOMPLETE WORK

It is the goal of our school for all students to turn in assigned work on time. Students will be allowed to make up work and tests as a result of excused absences and receive full credit. One makeup day will be allowed for each day missed. Students are responsible for notifying teachers and making arrangements for making up work before leaving on school activities. Homework turned in one day late will receive seventy percent (70%) of the credit a student would have received if the work had been turned in on time.

The ZAP Program is designed for students who have accumulated 3 or more zeroes in a grading period in any of their classes. Students are given 5 days to complete all missing assignments on their ZAP sheet. They are to report to the ZAP room (16) immediately upon their arrival to school in order to show appropriate progress on their work. Failure to attend ZAP or complete the Zap assignments will result in punitive consequences. If a student accumulates another 3 zeroes in the same class within the grading period, the student is assigned after school detentions so that assignments can be completed. Another accumulation of 3 zeroes in the grading period results in an assignment to Alternative Classroom.

MEDICATION

If a student must take prescribed medications during school hours, the medication must be brought to the nurse's office by a parent or guardian and the parent or guardian must complete an administration form. No medication prescribed by a physician will be administered without a completed consent form.

The medication must be in the original prescription container and all proper times and dosages should be clearly marked. Medications and the consent form for administration will be kept on file in the nurse's office. All medications administered will be documented and kept in the student's file.

This Policy pertains to temporary or regular medications. The student will be responsible to report to the nurse's office at the proper time.

Netbook Usage Guidelines and Procedures

Durant ISD is committed to provide the necessary tools to effectively utilize netbooks. To accommodate this process, the District is providing the following:

Check-Out Check-In Procedures

The netbook check-out/check-in process will mirror textbook management practices established at each individual campus.

Sophos Enterprise Anti-virus Protection

Netbooks will utilize Sophos Endpoint security solution providing real-time scanning capabilities for complete protection from viruses, spyware, malware, etc., both inside and outside the Durant ISD network.

Web Filtering and Security

Websense Remote Filtering extends the Websense industry-leading Web filtering and Web security technology to protect netbook users outside of your organization's network. Remote Filtering protects remote users and frequent travelers from external security threats and prevents access to inappropriate and malicious sites, phishing sites, spyware, and malicious mobile code. A critical component of any organization's endpoint protection strategy, remote filtering ensures secure internet use anytime and anywhere. Durant ISD has utilized the Websense Enterprise filtering solution for the past 8 years to meet federal CIPA requirements. For more information about Internet safety, please visit www.isafe.org.

Data Access

Students can save important files to their "My Documents" folder which is re-directed to a network storage area, and backed-up nightly. Students can access this data from any computer connected to the Durant ISD network. While working off-site, student data will be cached locally and synchronized once network access is established.

Students will also be able to save files to the desktop of their netbook, such as electronic textbooks, photos, temporary files, etc. However, a backup of these items is not done automatically, so students might want to keep a copy of these files on a flash drive or other external device.

Profiles and Policies

Student policies are pushed from Active Directory Services for all student log-ins giving sufficient access to complete tasks. While allowing for windows security updates, students will not have install capabilities for other software. Requests for additional software packages can be made through their campus "Help Desk". A district approved default software package will be installed on all netbooks prior to checkout.

Tracking System

BIOS level software will be installed at the manufacturer providing the ability to GPS track, locate and recover lost or stolen netbooks.

Help Desk Requests

The Durant ISD Information Technology Department will strive to provide "same day" turn around on all student/teacher netbook problems. All Help Desk requests will be submitted to the campus technology office and prioritized accordingly.

Summer Storage

Netbooks will be returned during the textbook check-in process at each campus and stored appropriately. All netbooks will be thoroughly inspected and re-imaged during the summer months by the IT Dept client services staff.

Parental Involvement

In addition to the Student Netbook Handbook, informative presentations will be provided both in person, as a file on the netbooks, and through our District website for parents regarding the One-to-One initiative. A parental permission form must be signed and on file before netbook receipt.

Classroom Computers

The District currently has 6 computer labs on campus. These computers can be used by students if they do not have their netbook. They will be able to access their work saved in the "My Documents" folder from any computer on the Durant ISD network.

No Loaning or Borrowing Netbooks

- Do NOT loan netbooks or other equipment to anyone.
- Do NOT borrow a netbook from another student.
- Do NOT share passwords or usernames with others.

General Netbook Rules

Inappropriate Content & Graffiti

- Inappropriate content will not be allowed on netbooks.
- Physical appearance of the netbook may not be modified by any means, including skins, stickers, markers, etc.

- Presence of weapons, pornographic materials, inappropriate language, alcohol, drug, gang-related symbols or pictures on the netbook will result in disciplinary actions.
- In the case of intentional damage, students will be charged for replacement parts.
- See Table of Estimated Repair Pricing on page 3.

Sound

- Sound will be muted at all times unless permission is obtained from the teacher for instructional purposes. Headphones, provided by the student, may be used when approved by the teacher.

Deleting Files

- Do not delete any folders or files that you did not create or that you do not recognize. Deletion of certain files will result in a computer failure and will interfere with your ability to complete class work and may affect your grades.

Music, Games, or Programs

- Music and games may not be downloaded or streamed over the Internet. This may be a violation of copyright laws.
- All software loaded on the system must be District approved.
- See Table of Estimated Repair Pricing on page 3.

Unauthorized Access (Board Policy)

- Access to another person's account or computer without their consent or knowledge is considered hacking and is unacceptable.

NEXCHECK

Your Check is Welcome. Your check is welcome at all schools in the Durant Public School System. The Durant Public School System recognizes that occasionally a parent may inadvertently overdraw a checking account and a check may be returned by your bank. In order to recover these funds in a private and professional manner, the Durant Public School System has contracted with Nexcheck, LLC, for collection of returned checks.

Each person writing a check to a school or the School System should write the check on a commercially printed check with your name, address, and one phone number. Counter or starter checks will not be accepted. When a person writes a check to a school or the School System, the person writing the check agrees that, if the check is returned that it may be represented electronically on the same account, and that the fee established by law, now \$30, may be debited from the same account.

If the check and fee are not collected electronically, then Nexcheck will contact you by mail and by telephone in order for you to make arrangements to pay. All payments need to be made directly through Nexcheck P.O. Box 19688, Birmingham, AL 35219. For a convenience fee, payments of both check and fee may be made electronically at www.nexcheck.com or over the phone using a credit card, debit card or electronic check.

PARENT PORTAL

Parents may access their student's information (grades, attendance, etc) through the Internet Based Parent Portal program located on the Durant Independent School District's Website (durantisd.org). Parents may contact the school office at 924-1321 to complete the Parent Permission Form and to obtain login and password.

REPORT CARDS AND RETENTION

Report cards will be sent home with the student at the end of the first three grading periods. Report cards for the fourth quarter will be mailed after school is out. The date(s) will be announced before the end of the school term. A student must be in school 90% of the time to be promoted or to be eligible to participate in school activities unless approved by the administration.

A-Superior	90-100
B-Good	80-89
C-Average	70-79
D-Below Average	60-69
F-Failing	Below 60

After receiving notice of the decision to retain a student or upon receipt of the student's report card showing a failing grade in a course, any parent may request reconsideration of the retention decision or failing grade by following the process identified by school policy.

SAFE SCHOOLS / HEALTHY STUDENTS

Students often know each other better than teachers or counselors. While you may want to maintain your friend's confidence, there are a few situations where you may play a key role in protecting your friend. There may be a time when you are required to disclose what your friend has told you. The following guidelines will assist you.

If your friend has disclosed to you any of the following situations, you may talk with a teacher, a school counselor, or Safe School/Healthy Students Social Worker to seek assistance. Your friend:

1. Has threatened or has a plan to hurt himself or herself.
2. Has a plan to hurt someone else.
3. Has or is abusing illegal substances.
4. Is sick and needs medical attention.

Because Oklahoma law has designated responsibility for child protective services to the Oklahoma Department of Human Services, some reports may need to go directly to DHS (Bryan County number is 924-1866) or to the DHS Hot Line 1-800-522-3511. If you know that a friend is being abused physically or sexually or is being severely neglected, you may seek assistance from your teacher, your principal, your school counselor, or a Safe Schools/Healthy Students Social Worker to help you report this to the proper place.

Oklahoma Law says anyone who thinks that a child has been abused or neglected by the person responsible for the child must report this to OKDHS. The name of the person making a report of child abuse or neglect is confidential. Reports of abuse or neglect can be made anonymously.

Failure to report suspected abuse is a crime legally and morally. No person, regardless of relationship with the child or family is exempt from reporting suspected abuse. A person reporting in good faith is immune from both civil and criminal prosecution.

You are legally responsible for making sure that the report is made. The legal responsibility is not satisfied by merely reporting your suspicion to someone else. The report must be made to DHS. You do not have to prove the abuse before reporting. If you make a report and then find out a new allegation, you are required to make a new report.

SCHOOL DAY

The school day for students begin at 8:05 a.m. Students should arrive at school between 7:45 a.m. and 8:00 a.m. Doors will open at 7:30 a.m. Upon arrival, students are to report directly to the cafeteria where a free breakfast will be provided.

Students are dismissed at 3:20 p.m. unless students are involved in an organized school activity, they should be out of the halls by 3:35 p.m. and off school grounds by 3:20 p.m. Parents should make all necessary arrangements to ensure that their children will not need to remain in the school area after 3:40 p.m.

STUDENT COUNCIL

The Student Council is an organization of students elected by students to serve as their official representatives in all matters of concern to the school. It provides a medium through which student opinion may be heard and a forum for the consideration of common school problems. Beyond that, it is a training ground for leaders and followers. Our Student Council is considered a service organization.

Being elected to membership in the Student Council is one of the highest honors attainable for a student during the middle school years.

To be eligible for council membership, a student must have satisfactory grades in citizenship. All officers and representatives must have at least a "C" average in grades. They file by placing their names on a list available from the Student Council sponsor.

SUSPENSION

Students who are guilty of any of the following acts may be suspended out-of-school by the administration of the School or the District for:

1. Violation of a school regulation
2. Immorality
3. Adjudication as a delinquent for an offense that is not a violent offense. For the purposes of this section, "violent offense" shall include those offenses listed as the exception to the term "nonviolent offenses" as specified in Section 571 of Title 57 of the Oklahoma Statutes. "Violent offense" shall include the offense of assault with a dangerous weapon but shall not include the offense of assault.
4. Possession of an intoxicating beverage, low-point beer, as defined by Section 163.2 of Title 37 of the Oklahoma Statutes, wireless communication device without prior authorization, or missing or stolen property if the property is reasonably suspected to have been taken from a student, a school employee, or the school during school activities; and
5. Possession of a dangerous weapon or a controlled substance, as defined in the Uniform Controlled Dangerous Substance Act. Possession of a firearm shall result in out-of-school suspension as provided in the District's policy related to firearms.

Students suspended for a violent offense directed toward a classroom teacher shall not be allowed to return to the teacher's classroom without the teacher's prior approval. Whether an offense is considered a violent offense, requiring an affected teacher's approval as a condition of return to a particular classroom, shall be based on applicable provisions of the Oklahoma school law regarding student suspension and applicable Oklahoma criminal law distinguishing between violent and nonviolent offenses.

The school district will comply with the applicable provisions of state and federal law and regulations concerning the discipline of student with disabilities.

TARDY

A student is considered late if he or she is not inside the room and seated when the bell to begin class rings. If a teacher detains a student, the next period teacher will not count him or her as late if a note is presented from the teacher who detained the student. AFTER 15 MINUTES, A STUDENT WILL BE COUNTED AS ABSENT.

If a student arrives late to school, we must have documentation or received a phone call prior to arrival, otherwise, it will be counted as an unexcused tardy. The following consequences are for students that accumulate unexcused tardies throughout a grading period.

1 st – Warning	4 th – (1) 30 Minute Detention
2 nd – Warning	5 th – (1) 1 Hour Detention
3 rd – (1) Lunch Detention	6 th – Office Referral

TELEPHONE

Students will not use the school phone for personal calls except in an emergency and with staff permission only. In the event that a student receives a call, he/she will not be called out of class unless it is an emergency. Phone calls will be made between classes, at lunch, or after school, if necessary. Important messages will be taken and relayed to students after class.

Any student wishing to use the phone to call home because of illness will be referred to the nurse first. **Students will not be permitted to use cell phones to call home for illness.**

TEXTBOOKS

Students will be issued netbooks shortly after the school year begins. They will have access to their textbooks through this device. Students may be issued textbooks to be left at home. Access to a copy of their textbook will also be available during the school day. Students are responsible for all books issued to them. This is the book they must return at the end of the year. Students must pay for lost books and any damage done to the books while they are in their care.

USE OF TOBACCO PRODUCTS

The board is dedicated to providing a healthy, comfortable, and productive environment for staff, students, and citizens. The board believes that education has a central role in establishing patterns of behavior related to good health and that measures are necessary to help its students to resist tobacco use. The board is concerned about the health of its employees and also

recognizes the importance of adult role-modeling for students during formative years. Therefore, the board shall discourage the use of tobacco products by its staff and students.

Tobacco on Campus

Smoking and the use of tobacco products in any form is prohibited on district property by all persons. This prohibition includes school buildings, grounds, and school-owned vehicles. Possession of tobacco products by students on school property is prohibited. "Tobacco products" includes, but is not limited to: cigarettes, cigars, loose tobacco, rolling papers, chewing tobacco, snuff, matches, lighters, e-cigarettes, digital/personal vaporizers, electronic nicotine delivery systems and cartridges and products designed for use with electronic nicotine delivery systems, regardless of the nicotine content of the product. At or near each entrance of every district building the following sign shall be conspicuously posted: Smoking and the use of any tobacco product, including e-cigarettes and similar devices, is prohibited in this building. "Smoking" means the carrying by a person or having access to a lighted cigar, cigarette, pipe or other lighted smoking article. Smoking also includes using products which mimic or simulate smoking behavior, regardless of whether such products actually contain tobacco. This prohibition includes but is not limited to e-cigarettes, digital/personal vaporizers, and electronic nicotine delivery systems.

Enforcement

The success of this policy will depend upon the thoughtfulness, consideration, and cooperation of smokers and non-smokers. All individuals on school premises share in the responsibility for adhering to and enforcing this policy. Any individual who observes a violation on school property may report it in accordance with the procedures listed below.

Students

Any student using, possessing or distributing tobacco products in violation of this policy will be subject to appropriate disciplinary measures, including out-of-school suspension, pursuant to the board's policies regarding student discipline.

Staff

Any violation of this policy by staff will be referred to the appropriate supervisor. One written warning will be issued to the staff member with a copy placed in his or her district personnel file. Further violations will be considered willful neglect of duty and will be dealt with accordingly based on established policies and procedures for suspension, demotion, dismissal and non-renewal of staff.

Citizens

Citizens who are observed smoking or using tobacco products on district property in violation of this policy will be asked to refrain from using these products on school property. If the individual fails to comply with the request, his or her violation of policy may be referred to the building principal or other district supervisory personnel responsible for the area or program during which the violation occurred. The supervisor shall make a decision on further action which may include a directive to leave school property. Repeated violations may result in a recommendation to the superintendent or board of education to prohibit the individual from entering district property for a specified period of time. If deemed necessary by the school administration or the board of education, local law enforcement officials may be called upon to assist with enforcement of this policy.

VISITORS

All visitors to Durant Middle School must enter the building through the school's main entrance located in the West commons on the South West side of the building. All other entrances will be locked from the outside to restrict incoming traffic. Visitors must sign the "Visitor Sign In/Out" book and obtain a visitor's pass upon entering the building.

Parents/Guardians or their designees must sign the "Student Check In/Out" book and show proper identification to pick up their student during school hours. Parents/Guardians or their designees are the only persons allowed to have contact with students. Our campus is off limits to anyone without proper authorization.
