

Toilet Training

Each child must be completely toilet trained by the first day of school. No exceptions. The child must be able to attend to his/her bathroom needs. Pull-ups are considered diapers and are not allowed. Children with pants that are wet/soiled on a regular basis will be considered not fully toilet trained. If a student soils their clothing due to a bowel movement and is unsuccessful in cleaning themselves, a parent will be contacted to return to school to clean their child. We completely understand that accidents happen but if a child is habitually having potty problems the situation will be reviewed with the teacher and administrator.

*Please have a clean change of clothes in the student's backpack at all times.

The reasons for not allowing un-trained children into 4 year old preschool is due to state staffing and health code laws.
