Admissions

Who is eligible for this program?

Students between the ages of 14 and 21 may apply to Durant Virtual School if they meet one or more of the following requirements:

- One or more years behind grade level
- Students who have dropped out of school
- Students who are married
- Students who are pregnant or parenting
- Fifth year seniors
- Full time 9-12 student with the building Principal and Lead Counselor's recommendation

Suspended or expelled students are not eligible during the term of the suspension or expulsion. Students who qualify for special education services are not usually eligible under special education mandates. Transfer students must enroll in the Durant Public Schools before they can enroll in Durant Virtual Schools.

Students will be accepted at the beginning of each semester and must still be in compliance with Oklahoma Attendance laws for admission. The only exceptions to this rule are those students that are referred by Durant High School or another accredited school and are still in compliance with Oklahoma Attendance laws for the current semester.

Students must fill out an application, go through an interview and then may be accepted to the program if the staff approves. **If the student is currently enrolled in a school, they should NOT withdraw from school until they have been accepted into Durant Virtual School.** Acceptance and enrollment at Durant Virtual School is based on the above criteria, the interview, and on availability of space. There is often a waiting period (after returning the application) before an interview is scheduled. There is no guarantee a student will be accepted to the program.

If enrolled in Durant Virtual School, the student will be expected to attend school promptly every day and make progress in earning academic credits for graduation each semester (a minimum of 3.5 full credits per semester).
