A note from the Principal:

On behalf of the faculty and staff at Durant Middle School, I would like to welcome students and parents to the 2018-2019 school year. This is an exciting time of change and challenge for both the seventh and eighth grade students. Our staff and administration have worked hard to create and implement greater opportunities for the students of DMS. We are a transitional campus with the goal of preparing our students for their future. Our school has a priority of creating an educational atmosphere of high expectations and mutual respect, while making the safety and security of each student paramount to our educational mission.

It is our desire to offer the best possible learning environment and to challenge each student to reach his or her maximum potential. With the help of parents, teachers, administrators, and students, we can forge a partnership that will result in a positive and meaningful educational experience. With everyone as active participants, we can achieve these goals.

The first section of this handbook contains an outline of information that is designed to structure the environment at Durant Middle School. Both parents and students should take time to review these policies and procedures. This will increase the probability of your child having a productive and successful year at school.

Staying in touch with current school programs and activities has also been made possible through the mediums of television and the Internet. Durant Public Schools maintains information on Channel 5 (Vyve Broadband Cable) and our school web site. Our web address is www.durantisd.org.

May I express again how excited we are about the new school year and a sincere invitation for your involvement in the education of your child.

Sincerely,

John Williamson
Principal
Durant Middle School

Current census information indicates approximately 1250 active American Indian students in early childhood through grade 12 enrolled in Title VII and Johnson O'Malley programs. Eligibility for Indian Education services requires the parent to sign an "Indian Student Certification Form" for each child, which may be obtained from the school or through the Indian Education Department located at 1313 Waco Street.

There is no blood quantum requirement for two Indian Education programs; however, a copy of the student's CDIB is a prerequisite for Johnson O'Malley services. Indian Education provides school supplies, tutoring services for all grades, and an incentive program that offers rewards for those students meeting the requirements for achievement for grades and/or attendance.

During the school year parents may receive a form on which should be indicated whether or not your child is of Native American heritage. This completed form should be returned to the student's teacher or to the Indian Education office. Parents of children who are eligible and who do not receive this form are requested to contact the Indian Education office at 924-1330. Anyone having questions concerning the Indian Education program are urged to call or visit the Indian Education office.

- _ information and news, including the opportunity to correspond with scientists at research institutions in the public and private sector, including NASA;
- _ public domain software and shareware of all types;
- _ news groups, or discussion groups, covering a wide range of topics appropriate to the educational purposes of the district;
- _ access to university libraries, the Library of Congress and other repositories of information;

_ World Wide Web access to information containing text, graphics and photographs, as well as sound on literally millions of topics

With access to such vast storehouses of information and instant communication with millions of people from all over the world, material will be available that may not be considered to be of educational value by the district or which is inappropriate for distribution to children. The district has taken available precautions, including but not limited to enforcing the use of filters that block access to obscenity, child pornography and other materials harmful to minors. However, on a global network, it is impossible to control all material and an industrious user may obtain access to inappropriate information or material. The district firmly believes that the value of the information and interaction available on the Internet far outweighs the possibility that students and employees may procure material which is not consistent with our educational goals. Internet access is coordinated through a complex association of government agencies, regional and state networks. The smooth operation of these networks relies upon the proper conduct of the end users and the users' adherence to generally accepted guidelines. The guidelines provided in this policy are designed to promote the efficient, ethical and legal utilization of network resources. If a district user violates any of these provisions, his or her account will be terminated and future access could be denied. The user's signature on the Internet Access Agreement is a legally binding obligation, affirming that the user has read the terms and conditions of the Internet Acceptable Use Policy, understands the policies and agrees to abide by all terms and conditions described in the policy or subsequently implemented by the district's Director of Technical Services. Students' use of the district's system will also be governed by a student code of conduct.

B. Internet Access - Terms and Conditions.

1) **Acceptable Use. THE USE OF THE DISTRICT SYSTEM, WHETHER BY STUDENTS, FACULTY OR STAFF, MUST BE IN SUPPORT OF EDUCATION AND CONSISTENT WITH THE EDUCATIONAL OBJECTIVES OF THE DISTRICT.** The use of any other organizations' network or computing resources must comply with the rules and regulations appropriate for that network. **THE TRANSMISSION OR RECEIPT OF ANY MATERIAL IN VIOLATION OF ANY UNITED STATES OR STATE LAW OR REGULATION AND THE TRANSMISSION OR RECEIPT OF ANY MATERIAL INCONSISTENT WITH THE EDUCATIONAL OBJECTIVES OF THE DISTRICT IS PROHIBITED.** This includes, but is not limited to: copyrighted material, threatening, indecent, lewd or obscene material, or material protected by trade secret. Use of the district system for commercial activities is not acceptable. Use for product advertisement or political lobbying is also prohibited.

2) **Parental Consent.** In order for a student to gain access to the district system, the student's parent or guardian must be provided a copy of the Internet Acceptable Use Policy and sign the Internet Access Agreement requesting that their child be given Internet access under the terms and conditions described in this policy. Parents may withdraw their consent at any time.

THERE IS, HOWEVER, A WIDE RANGE OF INFORMATION AVAILABLE THROUGH THE INTERNET WHICH IS NOT APPROPRIATE FOR ACCESS BY MINORS, HAS NO EDUCATIONAL VALUE OR DOES NOT MEET WITH THE PARTICULAR VALUES OF THE FAMILIES OF THE STUDENT. THE DISTRICT SYSTEM AND

INTERNET ACCEPTABLE USE POLICY CONTAIN DEVICES AND RESTRICTIONS ON USE INTENDED TO PREVENT ACCESS TO INAPPROPRIATE MATERIAL OR INFORMATION. IT IS IMPOSSIBLE FOR THE DISTRICT TO GUARANTEE THAT STUDENTS WILL NOT BE EXPOSED TO INAPPROPRIATE MATERIAL THROUGH THEIR USE OF THE INTERNET. THE DISTRICT BELIEVES THAT PARENTS BEAR PRIMARY RESPONSIBILITY FOR COMMUNICATING ACCEPTABLE BEHAVIOR AND FAMILY VALUES TO THEIR CHILDREN. THE DISTRICT ENCOURAGES PARENTS TO DISCUSS WITH THEIR CHILDREN WHAT MATERIAL IS AND IS NOT ACCEPTABLE FOR THEIR CHILDREN TO ACCESS THROUGH THE DISTRICT SYSTEM.

3) **Privilege of Use.** The district system and its Internet access is a privilege afforded to students, staff and employees of the district. Use of these resources is not a right and inappropriate use will result in a cancellation of those privileges. Inappropriate use is any use prohibited by the terms of this policy or use determined by the district's system administrators to be inappropriate under particular facts and circumstances. Prior to receiving Internet access, all users will be required to successfully complete an Internet training program administered by the district.

4) **Inappropriate Use.** Each system user is expected to comply with all district policies governing Internet access and to abide by generally-accepted rules of network etiquette. These general rules include, but are not limited to, the following: a) Appropriate language - Do not use abusive language in messages to others. Be polite. Do not use obscene, indecent, lewd or profane language, vulgarities, rude or disrespectful language. Do not engage in personal attacks or activities intended to distress, harass or annoy another user. b) Safety - Do not reveal personal contact information about yourself or any other person. This information includes telephone numbers and addresses. Do not use the Internet access to arrange meetings with persons you have met on line. Users will promptly disclose to the teacher, district system administrator or to some other member of the faculty or staff any message they consider to be inappropriate or which makes them feel uncomfortable. c) Electronic mail - Users should be aware that electronic mail (E-Mail) may not be assumed to be a private communication. The district and system administrators do have access to E-Mail. Messages relating to or in support of illegal activities will be reported to the authorities. System users should not post any message which is intended to be private. d) Network resources - System users should not use the network in a way that will disrupt the use of the network by other users.

THE NETWORK SHOULD BE USED FOR EDUCATIONAL, PROFESSIONAL AND CAREER DEVELOPMENT ACTIVITIES ONLY.

System users should refrain from downloading large files unless absolutely necessary, and then only when the system is not being heavily used. Such files should be removed from the system computer to the user's personal computer as soon as possible. e) Intellectual property - Do not plagiarize works obtained from the Internet. Users must respect the rights of copyright owners and comply with all limitations imposed upon use of copyrighted material.

5) **Limitation of Liability.** The district makes no warranties of any kind, whether express or implied, for the services provided and will not be responsible for any

damages which you may suffer through use of the district system or the Internet, including, but not limited to, the loss of information or files or the interruption of service. The district is not responsible for the accuracy or quality of information obtained through use of the district system or the Internet. The district is not responsible for any financial obligations which may be incurred through use of the district system.

6) **Security.** Security on any computer system is a high priority, especially when the system involves multiple users. Users are responsible for their individual account and should take precautions to prevent others from accessing that account. Under no conditions should a user provide their personal password to another person. If you identify a potential security problem on the district system or the Internet, you must notify the system administrator immediately. You should not demonstrate the problem to others, nor should you intentionally attempt to identify potential security problems. In either instance, your actions may be misinterpreted as an illegal attempt to gain unauthorized access. Any attempt to log on to the Internet as a system administrator will result in cancellation of user privileges. Any user identified as a security risk or having a history of problems with the district system or any other computer system may be denied further access.

7) **Vandalism.** Vandalism of district hardware, software or the system itself will result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm or destroy the property or data of the district, of another user or of any other network connected to the Internet or all or any portion of the district's computer network system or any other network or system connected to the Internet. This includes, but is not limited to, the uploading or creation of computer viruses or any actions that disrupt, "crash" or "bomb" all or any portion of the district's computer system. All system users shall avoid the accidental spread of computer viruses by strict adherence to district policies governing the downloading of software. No system user may use the system to "hack" or attempt to gain unauthorized access to any other computer system, network or site or any unauthorized portion of the district's system.

8) **Inappropriate Material.** Access to information shall not be restricted or denied solely because of the political, religious or philosophical content of the material. However, system users must realize that rights go hand-in-hand with responsibilities and agree not to use the district system to access information or to distribute information or material which is: a) Obscene to minors, meaning (i) material which, taken as a whole, lacks serious literary, artistic, political or scientific value for minors and, (ii) when an average person, applying contemporary community standards, would find that the written material, taken as a whole, appeals to an obsessive interest in sex by minors. b) Libelous, meaning a false and unprivileged statement about a specific individual which tends to harm the individual's reputation. c) Vulgar, lewd or indecent, meaning material which, taken as a whole, an average person would deem improper for access by or distribution to minors because of sexual connotations or profane language. d) Display or promotion of unlawful products or services, meaning material which advertises or advocates the use of products or services prohibited by law from being sold or provided to minors. e) Group defamation or hate literature, meaning material which disparages a group or a member of a group on the basis of race, religious affiliation, ethnic or national origin, gender, or disability or advocates illegal conduct or violence or discrimination toward any particular group of people. This includes racial and religious epithets, "slurs",

insults and abuse. f) Disruptive school operations, meaning material which, on the basis of past experience or based upon specific instances of actual or threatened disruptions relating to the information or material in question, is likely to cause a material and substantial disruption of the proper and orderly operation of school activities or school discipline.

9) **Employee Access.** In order for any employee of the district to gain access to the district system, the employee must sign the Employee Internet Access Agreement.

10) **Application and Enforceability.** The terms and conditions set forth in this policy shall be deemed to be incorporated in their entirety in the Internet Access Agreement executed by each system user.

BY EXECUTING THE INTERNET ACCESS AGREEMENT, THE SYSTEM USER AGREES TO ABIDE BY THE TERMS AND CONDITIONS CONTAINED IN THIS ACCEPTABLE USE POLICY. THE SYSTEM USER ACKNOWLEDGES THAT ANY VIOLATION OF THIS ACCEPTABLE USE POLICY MAY RESULT IN ACCESS PRIVILEGES BEING REVOKED, DISCIPLINARY ACTION BEING TAKEN, INCLUDING, AS TO STUDENTS, DISCIPLINARY ACTION UNDER THE DISTRICT'S STUDENT DISCIPLINE POLICY AND, AS TO EMPLOYEES, ANY SUCH DISCIPLINE AS MAY BE ALLOWED BY LAW, INCLUDING TERMINATION OF EMPLOYMENT.

LIBRARY

The library can be a great help to students as they learn to use it. The library and its staff can help students learn to appreciate and enjoy good books and improve their reading ability. This is its purpose. A librarian always checks out library books. Lost or damaged books are the student's responsibility. The library will close each day at 3:30.

MAKE-UP, LATE, AND INCOMPLETE WORK

It is the goal of our school for all students to turn in assigned work on time. Students will be allowed to make up work and tests as a result of excused absences and receive full credit. One makeup day will be allowed for each day missed. Students are responsible for notifying teachers and making arrangements for making up work before leaving on school activities. Homework turned in one day late will receive seventy percent (70%) of the credit a student would have received if the work had been turned in on time.

The ZAP (Zeroes Aren't Permitted) Program is designed for students who have accumulated 3 or more zeroes in a grading period in any of their classes. Students are given 5 days to complete all missing assignments on their ZAP sheet. Failure to complete the ZAP assignments will result in punitive consequences. If a student accumulates another 3 zeroes in the same class within the grading period, the student is assigned after school detentions so that assignments can be completed. Another accumulation of 3 zeroes in the grading period results in an assignment to Alternative Classroom.

MEDICATION

A full-time nurse is on duty at Durant Middle School. The nurse will document each student's referral and treatment.

If a student must take prescribed medications during school hours, the medication must be brought to the nurse's office by a parent or guardian and the parent or guardian must complete an administration form. No medication prescribed by a physician will be administered without a completed consent form.

The medication must be in the original prescription container and all proper times and dosages should be clearly marked. Medications and the consent form for administration will be kept on file in the nurse's office. All medications administered will be documented and kept in the student's file.

This Policy pertains to temporary or regular medications. The student will be responsible to report to the nurse's office at the proper time.

NEXCHECK

Your Check is Welcome. Your check is welcome at all schools in the Durant Public School System. The Durant Public School System recognizes that occasionally a parent may inadvertently overdraw a checking account and a check may be returned by your bank. In order to recover these funds in a private and professional manner, the Durant Public School System has contracted with Nexcheck, LLC, for collection of returned checks.

Each person writing a check to a school or the School System should write the check on a commercially printed check with your name, address, and one phone number. Counter or starter checks will not be accepted. When a person writes a check to a school or the School System, the person writing the check agrees that, if the check is returned that it may be represented electronically on the same account, and that the fee established by law, now \$30, may be debited from the same account. If the check and fee are not collected electronically, then Nexcheck will contact you by mail and by telephone in order for you to make arrangements to pay. All payments need to be made directly through Nexcheck P.O. Box 19688, Birmingham, AL 35219. For a convenience fee, payments of both check and fee may be made electronically at www.nexcheck.com or over the phone using a credit card , debit card or electronic check.

PARENT PORTAL

Parents may access their student's information (grades, attendance, etc) through the Internet Based Parent Portal program located on the Durant Independent School District's Website (durantisd.org). Parents may contact the school office at 924-1321 to complete the Parent Permission Form and to obtain login and password.

REPORT CARDS AND RETENTION

Report cards will be electronically available at the end of the each grading period. Report cards for the final grades will be distributed the last week of school or mailed after school is out. Parents can obtain a hard copy of the report card at the end of any grade period through the school office by request.

A-Superior	90-100
B-Good	80-89
C-Average	70-79
D-Below Average	60-69
F-Failing	Below 60

If a student is retained, parents will be notified following the completion of the school year. After receiving notice of the decision to retain a student or upon receipt of the student's report card showing a failing grade in a course, any parent may request reconsideration of the retention decision or failing grade by following the process identified by school policy.

SAFE SCHOOLS / HEALTHY STUDENTS

Students often know each other better than teachers or counselors. While you may want to maintain your friend's confidence, there are a few situations where you may play a key role in protecting your friend. There may be a time when you are required to disclose what your friend has told you. The following guidelines will assist you.

If your friend has disclosed to you any of the following situations, you may talk with a teacher, a school counselor, or Safe School/Healthy Students Social Worker to seek assistance. Your friend:

1. Has threatened or has a plan to hurt himself or herself.
2. Has a plan to hurt someone else.
3. Has or is abusing illegal substances.
4. Is sick and needs medical attention.

Because Oklahoma law has designated responsibility for child protective services to the Oklahoma Department of Human Services, some reports may need to go directly to DHS (Bryan County number is 924-1866) or to the DHS Hot Line 1-800-522-3511. If you know that a friend is being abused physically or sexually or is being severely neglected, you may seek assistance from your teacher, your principal, your school counselor, or a Safe Schools/Healthy Students Social Worker to help you report this to the proper place.

Oklahoma Law says anyone who thinks that a child has been abused or neglected by the person responsible for the child must report this to OKDHS. The name of the person making a report of child abuse or neglect is confidential. Reports of abuse or neglect can be made anonymously.

Failure to report suspected abuse is a crime legally and morally. No person, regardless of relationship with the child or family is exempt from reporting suspected abuse. A person reporting in good faith is immune from both civil and criminal prosecution.

You are legally responsible for making sure that the report is made. The legal responsibility is not satisfied by merely reporting your suspicion to someone else. The report must be made to DHS. You do not have to prove the abuse before reporting. If you make a report and then find out a new allegation, you are required to make a new report.

SCHOOL DAY

The school day for students begin at 8:05 a.m. Students should arrive at school between 7:45 a.m. and 8:00 a.m. Doors will open at 7:30 a.m. Upon arrival, students are to report directly to the cafeteria where a free breakfast will be provided.

Students are dismissed at 3:20 p.m. unless students are involved in an organized school activity, they should be out of the halls by 3:35 p.m. and off school grounds by 3:40 p.m. Parents should make all necessary arrangements to ensure that their children will not need to remain in the school area after 3:40 p.m.

STUDENT COUNCIL

The Student Council is an organization of students elected by students to serve as their official representatives in all matters of concern to the school. It provides a medium through which student opinion may be heard and a forum for the consideration of common school problems. Beyond that, it is a training ground for leaders and followers. Our Student Council is considered a service organization.

Being elected to membership in the Student Council is one of the highest honors attainable for a student during the middle school years.

To be eligible for council membership, a student must have satisfactory grades in citizenship. All officers and representatives must have at least a "C" average in grades. They file by placing their names on a list available from the Student Council sponsor.

SUSPENSION

Students who are guilty of any of the following acts may be suspended out-of-school by the administration of the School or the District for:

1. Violation of a school regulation
2. Immorality
3. Adjudication as a delinquent for an offense that is not a violent offense. For the purposes of this section, "violent offense" shall include those offenses listed as the exception to the term "nonviolent offenses" as specified in Section 571 of Title 57 of the Oklahoma Statutes. "Violent offense" shall include the offense of assault with a dangerous weapon but shall not include the offense of assault.
4. Possession of an intoxicating beverage, low-point beer, as defined by Section 163.2 of Title 37 of the Oklahoma Statutes, wireless communication device without prior authorization, or missing or stolen property if the property is reasonably suspected to have been taken from a student, a school employee, or the school during school activities; and
5. Possession of a dangerous weapon or a controlled substance, as defined in the Uniform Controlled Dangerous Substance Act. Possession of a firearm shall result in out-of-school suspension as provided in the District's policy related to firearms.

Students suspended for a violent offense directed toward a classroom teacher shall not be allowed to return to the teacher's classroom without the teacher's prior approval. Whether an offense is considered a violent offense, requiring an affected teacher's approval as a condition of return to a particular classroom, shall be based on applicable

provisions of the Oklahoma school law regarding student suspension and applicable Oklahoma criminal law distinguishing between violent and nonviolent offenses.

The school district will comply with the applicable provisions of state and federal law and regulations concerning the discipline of student with disabilities.

TARDY

A student is considered late if he or she is not inside the room when the bell to begin class rings. If a teacher detains a student, the next period teacher will not count him or her as late if a note is presented from the teacher who detained the student.

AFTER 15 MINUTES, A STUDENT WILL BE COUNTED AS ABSENT.

If a student arrives late to school, we must have documentation or received a phone call prior to arrival, otherwise, it will be counted as an unexcused tardy. The following consequences are for students that accumulate unexcused tardies throughout a grading period.

1st – Warning

2nd – Warning

3rd – (1) Lunch Detention

4th – (1) 30 Minute Detention

5th – (1) 1 Hour Detention

6th – Office Referral

TELEPHONE

Students **will** be able to use the school phone with staff permission. In the event that a student receives a call, he/she will not be called out of class unless it is an emergency. Phone calls will be made between classes, at lunch, or after school, if necessary. Important messages will be taken and relayed to students after class.

Any student wishing to use the phone to call home because of illness will be referred to the nurse first. **Students will not be permitted to use cell phones to call home for illness.**

TEXTBOOKS / CHROMEBOOKS

Students will have access to Chromebooks when the school year begins. If a textbook is used for a class, a copy will be available during the school day.

USE OF TOBACCO PRODUCTS

The board is dedicated to providing a healthy, comfortable, and productive environment for staff, students, and citizens. The board believes that education has a central role in establishing patterns of behavior related to good health and that measures are necessary to help its students to resist tobacco use. The board is concerned about the health of its employees and also recognizes the importance of adult role-modeling for students during formative years. Therefore, the board shall discourage the use of tobacco products by its staff and students.

Tobacco on Campus

Smoking and the use of tobacco products in any form is prohibited on district property by all persons. This prohibition includes school buildings, grounds, and school-owned vehicles. Possession of tobacco products by students on school property is

prohibited. "Tobacco products" includes, but is not limited to: cigarettes, cigars, loose tobacco, rolling papers, chewing tobacco, snuff, matches, lighters, e-cigarettes, digital/personal vaporizers, electronic nicotine delivery systems and cartridges and products designed for use with electronic nicotine delivery systems, regardless of the nicotine content of the product. At or near each entrance of every district building the following sign shall be conspicuously posted: Smoking and the use of any tobacco product, including e-cigarettes and similar devices, is prohibited in this building. "Smoking" means the carrying by a person or having access to a lighted cigar, cigarette, pipe or other lighted smoking article. Smoking also includes using products which mimic or simulate smoking behavior, regardless of whether such products actually contain tobacco. This prohibition includes but is not limited to e-cigarettes, digital/personal vaporizers, and electronic nicotine delivery systems.

Enforcement

The success of this policy will depend upon the thoughtfulness, consideration, and cooperation of smokers and non-smokers. All individuals on school premises share in the responsibility for adhering to and enforcing this policy. Any individual who observes a violation on school property may report it in accordance with the procedures listed below.

Students

Any student using, possessing or distributing tobacco products in violation of this policy will be subject to appropriate disciplinary measures, including out-of-school suspension, pursuant to the board's policies regarding student discipline.

Staff

Any violation of this policy by staff will be referred to the appropriate supervisor. One written warning will be issued to the staff member with a copy placed in his or her district personnel file. Further violations will be considered willful neglect of duty and will be dealt with accordingly based on established policies and procedures for suspension, demotion, dismissal and non-renewal of staff.

Citizens

Citizens who are observed smoking or using tobacco products on district property in violation of this policy will be asked to refrain from using these products on school property. If the individual fails to comply with the request, his or her violation of policy may be referred to the building principal or other district supervisory personnel responsible for the area or program during which the violation occurred. The supervisor shall make a decision on further action which may include a directive to leave school property. Repeated violations may result in a recommendation to the superintendent or board of education to prohibit the individual from entering district property for a specified period of time. If deemed necessary by the school administration or the board of education, local law enforcement officials may be called upon to assist with enforcement of this policy.

VISITORS

All visitors to Durant Middle School must enter the building through the school's main entrance located in the West commons on the South West side of the building. All other entrances will be locked from the outside to restrict incoming traffic. Visitors must sign the "Student Check In/Out" book and show proper identification upon entering the building.

Parents/Guardians or their designees must sign the student out through the School Safe kiosk and obtain a visitor's pass to pick up their student during school hours. Parents/Guardians or their designees are the only persons allowed to have contact with students. Our campus is off limits to anyone without proper authorization.

WITHDRAWAL FROM SCHOOL

Withdrawal from school when moving to a different school district is completed when you have secured a "withdrawal from school" form from the office, returned all textbooks and library books, and have cleared all unpaid obligations.
