

## **2023 WEATHER ANNOUNCEMENT PROCEDURES FOR DURANT INDEPENDENT SCHOOL DISTRICT**

Durant ISD follows specific procedures to notify parents if there is a change to the regular school schedule due to weather. We do not always have the capacity to answer private messages.

In the event of cancellation, delay or busing changes, notification will be sent out in the following ways:

- \* Automated call-out & text to parent/guardians phones
- \* Local Media Outlets - KTEN, KXII, KLBC, etc.
- \* Social Media - DISD Facebook Page
- \* DISD Website [www.durantisd.org](http://www.durantisd.org)

Once the school day has started, we will do everything possible to complete the day rather than have an early release. This is to ensure the safety of our students so that they are not dropped off at home alone. Parents are welcome to pick up students early if they are concerned, but the student will be counted absent for the hours they miss.
